READ CAREFULLY BEFORE INSTALLATION AND USAGE. INSTALL AND USE ONLY AS COMPLETE KIT. TO BE INSTALLED BY MECHANIC AT AUTHORIZED BENNO DEALER.

IMPORTANT: *Notes to mechanic:* See Instructions. Install Benno RemiDemi XL Passenger Kit only on compatible Benno RemiDemi XL models. Use only original hardware (included) and pre-drilled holes and fittings. Do not mount Passenger Kit to damaged bikes or racks. Do not modify any parts, racks or bikes, change position or drill new holes as this will void any warranties and/or claims for liability.

Step 1: IMPORTANT: INSTALL REMIDEMI XL WHEEL GUARDS (C) ON BOTH SIDES TO COVER THE REAR WHEEL. FAILURE TO DO SO COULD RESULT IN SERIOUS INJURY! Remove the two rubber plugs on the lower tube (chain stay) of the bike frame. Follow instructions as seen in illustrations 1-4. Place both spacers **between frame and wheel guard** with the raised part facing the wheel guard. Insert bolt (30mm) through spring washer, side loader (D), wheel guard (C) and spacer into frame as shown in 1 and hand tighten. Then insert second bolt and **tighten both bolts securely** to maximum 25Nm. Now fasten all Velcro straps firmly around the frame as shown in 4. Now repeat same steps to install left/other side (not shown).

Step 2: Install Velcro straps (B) around rear rack as shown on illustrations (5-6). **IMPORTANT: ALIGN PLASTIC LOOP BUCKLES WITH CENTER OF RACK AND WRAP THE STRAP AROUND THE RACK.** Pull tabs as tight as possible while closing the Velcro for a firm and secure fit to prevent the Velcro straps and Rack Pad from sliding.

Step 3: Line up Rack Pad (A) with Velcro straps (B) and push the pad firmly down onto the center of the Velcro straps as shown in illustrations (7-8).

IMPORTANT: PASSENGER KIT MUST BE INSTALLED WITH ANY RAIL PLUS OR PASSENGER BAR (NOT INCLUDED).

After installation, take a short test ride in order to check for secure fit and ensure that everything works correctly.

Notes to owner: Periodically check to make sure all bolts and Velcro straps remain tight as usage and vibrations may loosen them. **ENSURE THAT BENNO REMIDEMI XL WHEEL GUARDS OR REMIDEMI XL PANNIER BAGS REMAIN ON THE BIKE WHILE CARRYING PASSENGERS.**
