SPECIFICATIONS:

- + Waterproof shoulder bag with flip-over flap covering the QL2.1 mounting hooks
- + Main compartment accessible via zippered fold-down flap
- + Flap adjustable in height
- + Closure hook can be fixed on both sides
- + Sturdy soft-touch PU-laminated Cordura blend
- + Bike pannier with QL2.1 mounting system for carriers with 16 mm tube diameter, adjustable without any tools
- + Reduction inserts for tube diameters 8, 10 und 12 mm with anti-scratch surface for protecting the carrier
- + Zippered outer pocket (not waterproof)
- + Additional sleeve for stowing away shoulder straps prior to biking
- + Soft shoulder straps
- + Conversion into shoulder bag: insert metallic hook on opposite side, bike bag is converted into shoulder bag, QL2.1 mounting is covered by flap, comfortable carrying over shoulder
- + Several internal sleeves and organizer
- + Two highly reflective 3M Scotchlite reflectors

Contents: Shoulder Bag with QL2.1 system, each one pair reduction inserts 8, 10 and 12mm

Note: The shoulder strap must be stowed away prior to biking in sleeve provided (see picture 2). The fold-down flap must then be secured with closure hook (see picture 3).

Optional accessories: Anti-Theft-Device (No. E124), QL2.1-Haken 20mm (No.E193)

Attention: Maximum load per pannier is 9kg / 20 lbs. We recommend weighing each loaded pannier to confirm that the maximum allowance of the pannier fixation is not exceeded. This practice is advised for both rear and front panniers. CAUTION: The maximum weight capacity of every carrier model is different. Please observe the maximum weight allowance of the carrier fitted to your bicycle. Note: Sometimes the maximum capacity of the panniers fixing system can exceed the maximum capacity of the carrier. DO NOT exceed the maximum capacity of the carrier! Note, that the use of panniers will significantly influence the handling properties of your bicycle.

Note: For reaching protection standard IP53 (5=dust protected, 3=protected against splash water coming 60° to the vertical) the roll closure must be entirely closed.

KEEP DRY WHAT YOU LOVE.
